Now that we have a draft of our Region's Future Story and recommendations from facilitator Rick Morse, what happens next?

Everyone can see the report!

Four leadership teams review from their assigned perspective and make recommendations for the final draft from now until March 30

Contact our <u>Regional Office</u> if your congregation has questions.

On March 30, all four groups meet at 1:00 pm at St. Andrew Christian Church in Olathe to complete their team's work. They gather together at 2:00 pm to compare notes and prepare any modifications of the Future Story, implementation priorities and timelines. At 5:00 pm teams and Executive Committee enjoy a meal then review what will be recommended to the Regional Board at 7:00 pm April 3rd at the Independence First Christian Church. If Regional Board approves the final draft, we are on our way to begin restructure of our Region! We celebrate our new way of serving one another at a special Regional Assembly at 3 pm, April 30 at Hillside Christian Church.
