Process:

1. Candidates initiate contact to set up an appointment
2. Invoice to be sent to Christian Church (Disciples of Christ) of Greater Kansas City, 9401 Johnson Drive, Merriam, KS 66203 or emailed to office@kcdisciples.org
3. The psychologist will send a confidential report that is seen only by the Regional Minister and President. That report either finds no obvious impediment to serving as an ordained minister or identifies a caution. The Regional Minister only informs the Ordination Commission that the evaluator does or does not express concern. Specific information about the candidate is not shared with the Commission (or with anyone else).
4. The candidate pays one-third and the congregation pays one-third of the invoiced amount to the Christian Church (Disciples of Christ) of Greater Kansas City. The region pays one-third of the invoiced amount and sends a check request for the full amount of the invoice to Disciples Treasury Services to pay the invoice.

Notes:

The purpose of the evaluation is to help candidates assess their readiness to serve, unsupervised, as an ordained minister in any context to which they may be called. Testing is done to provide corroborating information for the candidate and evaluator. Nearly all candidates report these conversations with evaluators as positive experiences.
