2025/2026 Board Meeting Dates

Whereas, it is helpful to GKC Disciples of Christ and wider Christian Church to know when regular quarterly meetings are scheduled, and,

Whereas, it is always possible to move the date of the Regional Board quarterly meeting as needed with thirty days published notice at the discretion of the Regional Moderator, and,

Whereas, it has become the preference to meet in person whenever it is safe to do while accommodating some by including Zoom access, and,

Whereas, advance planning for meeting location and accommodations can better be done if dates are set for at least a year in advance, and,

Whereas, December Board meetings are usually scheduled well before Christmas to allow adequate time for end of year reporting and assuring that budget adjustments are shared with Disciples Treasury Services before the holiday week;

Therefore, it be resolved that meetings of the Regional Board for the next five quarters shall be set and published on the regional calendar as follows with locations and other details to be publicized at least thirty days in advance except in extraordinary circumstances or emergencies:
